As a volunteer-based organization, the Teton Valley Food Pantry (TVFP) is reliant on the donation of time, funding and resources.

"As a new volunteer at the Teton Valley Food Pantry, I've been impressed with the whole organization. I wouldn't have guessed I'd find such a warm vibe and can-do attitude... all while serving our neighbors with dignity and making a positive difference in their lives. It's all made it very easy to want to keep volunteering."

- Astrid Warden

"Volunteering is a commitment that I believe everyone should make. By volunteering at the pantry, we can contribute to our community and give back. Personally, I enjoy volunteering here, and I think it's important for everyone to dedicate some of their time to supporting others."

- Mary Bleffert
